About Us

Gulf Coast Sourdough is an artisan bakery making the most flavorful breads in America. We do this by combining old-fashioned techniques with modern tastes and sensibilities to create loaves with flavor, texture, and character — qualities decidedly absent from nearly all commercial baked goods.

We use natural sourdough starter and unbleached, unbromated flours to make our products. From traditional tangy sourdough to cutting-edge flavor combinations like turmeric & black pepper to classic sweets like cinnamon swirl, our recipes pair well with dishes across the spectrum.

We firmly believe that great meals are built on the foundation of great bread, and we are actively partnering with restaurants, sandwich shops, and groceries that share our mission.

Are you an innovator? Innovate with us.

What to Order

Restaurant customers typically order our 3lb loaves while retail outlets usually get the 2lb loaves. Sample loaves can be provided.

Sandwich loaves are delivered presliced (average 12-14 slices per loaf, 1/2-5/8" slice) and are delivered fresh or frozen.

Sweet breads and baguettes are delivered unsliced, fresh or frozen.

There are eight loaves per case of 3lb loaves and 12 loaves per case of 2lb loaves. Pizza dough is sold in 10lb bags.
